Our Reputation!

Over the years our company has been featured on national television shows and we have also appeared in several major magazine publications. This recognition not only gives us great personal pleasure, but provides validation to the quality of our merchandise and the dedication of our team. Check out our more recent press on our site!

<http://www.barsandbooths.com/bandbroomsfeaturedon.htm>

The Palm Beach Post

We have been discovered again! Bill Underwood, President of Liberty Media Group, Inc. has written an article featuring our incredible product line in The Palm Beach Post. He has showcased some of our wonderful clients' homes, featuring some of our custom lines.

HGTV—Spice Up My Kitchen

We were excited to build a custom diner booth set that worked perfectly for this HGTV episode. *Spice Up My Kitchen* takes an out-dated kitchen and gives it a retro feel, using our products!

HGTV—Home and Garden TV—Hey Remember

Also airing on HGTV a series entitled, "Hey Remember". Our products were featured on three of the shows in this series. One show featured our custom furniture, including our leaf tables and custom bars. The next program was devoted to vintage Soda Fountains and featured two of our customers' homes. The third program was all about Jukeboxes. In this episode our fully restored original jukeboxes were featured, narrated by two of our knowledgeable staffers.

Martha Stewart—Wedding Magazine

We have been featured in Martha Stewart's Wedding Guide. This publication is used as a resource by major wedding designers, planners and decorators. The article in this magazine featured our Yellow Sunshine Boomerang Laminate. Leave it to Martha to seek out the best!

Better Homes and Garden—Home Improvement Guide

This Home Improvement Guide is produced by Better Homes and Garden Magazine every year. This past year we were featured in this publication for our custom made Boomerang Laminates. The laminates that we have made are the closest you can get to the original design. The publication goes on to explain some aspects and the history of boomerang laminate.

Chesapeake Bay Home Magazine—Game Room Feature

For those of you who don't live the DC Metro area you may have never heard of this magazine. This is a very posh home magazine dedicated to the Chesapeake Bay Waterfront areas. In this magazine you can view and read about some of the nicest homes in the Chesapeake Bay area. Our custom bars and jukeboxes were featured in this magazine in 2003. The article was devoted to creating the perfect game room and how our custom bars can play a vital role.

DC Capital Home Show—Best of Show!

At the 2002 Capital Home and Garden Show in Washington, DC we were the proud winners of Best In Show Award. This was our first and only trade show exhibit, but we "did ourselves proud". Our exhibit was designed and built by our own staff, and was a shoe in for the Best in Show Award. The exhibit featured our custom bars, leaf tables, diner booths, car seat sofa, jukebox, and our interactive Kiosk. Everyone loved the exhibit and we were the talk of the show!

Oil and Lube News—May Issue

Oil and Lube News is a very popular mechanics magazine that is distributed to most major auto shops. In this magazine you will see one of our restored Pepsi Machines. This machine is also shown on the Front Page as well as in the article. The machine is on display at Village Automotive in Newton, OH.

Washington Home Magazine

In this issue of Washington Home Magazine you will find an article called "Revving up your Garage". This Garage owner is our happy customer and the jukebox and furniture that you see in this magazine article came from BARSandBOOTHS.

Modular!

INTRODUCING OUR EXCLUSIVE **NEW** MODULAR BOOTHS !

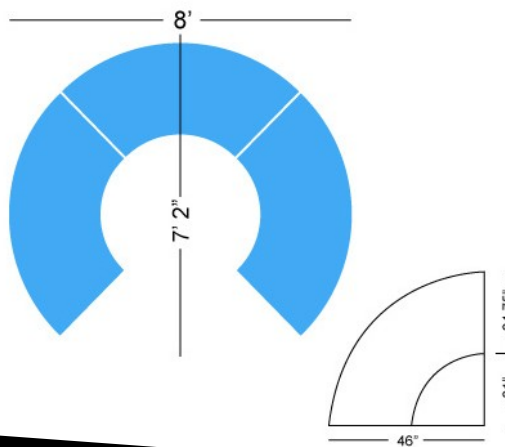

Over the last 15 years, we have been selling commercial diner booths to customers for use in their homes. During this period we received many inquiries for round booths, booths that were a little larger, booths with a little more padding, booths that could be used in more ways than just for a diner style setting. We have been listening and finally were able to do something about it!!!!

Our Modular Booths can be arranged in an endless amount of shapes and sizes. These booths are also perfect for a cost effective way to set up your home theatre seating. What a great looking way to create booth seating in almost any room. Anything from something to seat two people to a configuration that will seat twenty! This concept is perfect for the consumer who may want a small booth set now, and still have the option to enlarge the set over time.

The Modular line is comprised of three main booth benches. A 30 inch bench, a 48 inch bench; and the third bench is a Corner unit. Using these three sections you can design a wide variety of shapes and sizes to fit into your room as you will see in the following pages. Our exclusive Modular Line is perfect for the kitchen, game room, recreation room, break room, conference room, home theater, and just about any other place you can think of.

Maintenance and Warranty

Maintenance

To ensure durability and longevity of our product lines and customer satisfaction, periodic inspection and maintenance is necessary. We advise our clients to inspect merchandise at regular intervals-particularly the joints, welds, swivels and other points of stress as well as missing glides, screws or bolts, and to clean and tightened screws and bolts, and grease parts where necessary. If repair parts are needed, use only Vitro replacement parts and attachment methods.

If an item shows any sign of structural fatigue, it should be taken out of service immediately. BARSandBOOTH.COM should be notified immediately. Any continued use of the product is at buyer's risk and our Warranty will no longer be valid.

Warranty

All diner booth, table, barstool and chair products distributed by BARSandBOOTH.COM are guaranteed against failure from defective workmanship, when installed and utilized for their intended purpose. The warranties are as follows:

- * Oxford Series (lifetime)
- * Spectrum Series Chairs(Lifetime Structural Frame)
- * Omni Series Chairs & Barstools (Lifetime Structural Frame)
- * Quest Series Chairs & Barstools (Lifetime Structural Frame)
- * Stack Chairs (Lifetime Structural Frame)
- * Table Tops (2 Years)
- * All Other Products (1 Year)

Under this Warranty, any product proven to be defective shall be repaired or replaced at our option, free of charge, provided it is **returned prepaid as directed**.

In no case shall liability under this Warranty exceed the original purchase price of the defective merchandise. We reserve the right to inspect the defective item at our premises, by our factory personnel, to establish the cause of the alleged product failure.
